Each Purchaser and Owner of a Unit or interest therein agrees that the Unit has been or will be purchased as actually and physically existing at the time such purchase is closed. Each Purchaser of a Unit expressly waives any claim or demand which he may have against the Declarant or any person whosoever on account of any difference, shortage or discrepancy between the Unit as actually and physically existing and as it is shown on the respective Plat thereof exhibited hereto. It is specifically agreed that in interpreting deeds, mortgages, deeds of trust and other instruments for any purposes whatsoever or in connection with any matter, the existing physical boundaries of the Unit shall be conclusively presumed to be the boundaries regardless of settling, rising or lateral movements of the Building, and regardless of variances between boundaries as shown on the Plat and those of the Buildings.

In interpreting deeds, mortgages, deeds of trust and other instruments, the existing physical boundaries of the Unit reconstructed in substantial accordance with the original plans thereof shall be conclusively presumed to be its boundaries, regardless of settling, rising or lateral movement of the Building and regardless of variances between boundaries shown on the Plat and those of the Building. The individual ownership of each Unit space herein defined shall further include the interior construction, partitions, appliances, fixtures and improvements which are intended to exclusively serve such Unit space, such as interior room walls, floor coverings or finish, closets, cabinets, shelving, individual bathroom and kitchen fixtures, plumbing and appliances, individual lighting and electrical fixtures and other separate items or chattels belonging exclusively to such Unit, any of which may be removed, replaced, disposed of or otherwise treated without affecting any other Unit space or ownership, use or enjoyment.

It is intended the term "Unit", as used in this Declaration, shall have the same meaning as the term "Apartment" as used in the Act.

- b. The linear measurements and location, with reference to the exterior boundaries of the land, of the Buildings and all other improvements constructed, or to be constructed, on said land by Declarant;
- c. The exterior boundaries and number of each Unit, expressing its square footage, and any other data necessary for its identification, which information will be depicted by a Plat of such floor of each Building showing the letter of the Building, the number of the floor and the number of the Unit;
- d. The location of the Limited Common Elements.

2.2 DESIGNATION OF UNITS. The Property is hereby divided into fifty-three (53) separately designated Units contained within the seven (7) Buildings. The Owners of each Unit shall own an undivided interest in said Common Elements, the percentage or fraction thereof for each Unit being as shown on the attached Exhibit "C".

2.3 LIMITED COMMON ELEMENTS. Portions of the Common Elements are set aside and reserved for the exclusive use of the individual Owners, such areas being Limited Common Elements. The Limited Common Elements reserved for the exclusive use of the individual Owners are the automobile parking spaces,

8131 873

patio and balcony structures, and separate storage spaces. Such spaces and structures are allocated and assigned by the Declarant to the respective Units, as indicated on the Plat. Such Limited Common Elements shall be used in connection with the particular Unit, to the exclusion of the use thereof by the other Owners, except by invitation.

3-24-2668

2.4 REGULATION OF COMMON AREAS. Portions of the Common Areas are intended as recreation areas, and are improved with green areas, swimming pool, cabana, clubhouse, laundry room, and other facilities. Reasonable regulations governing the use of such facilities by Owners and by their guests and invitees shall be promulgated by the Declarant, or by the Board of Directors of the Association after the same has been elected. Such regulations shall be permanently posted at the office and/or elsewhere in said recreational areas, and all Owners shall be furnished with a copy thereof. Each Owner shall be required to strictly comply with said Rules and Regulations, and shall be responsible to the Association for the compliance therewith by the members of their respective families, relatives, guests or invitees, both minor and adult.

2.5 INSEPARABLE UNITS. Each Unit and its corresponding pro-rata interest in and to the Common Elements appurtenant thereto shall be inseparable and may not be conveyed, leased or encumbered separately, and shall at all times remain indivisible.

2.6 DESCRIPTIONS. Every deed, lease, mortgage, trust deed or other instrument may legally describe a Condominium Unit by its identifying Building letter and Unit number, as shown on the Map, followed by the words SPICEWOOD POINT TOWNHOMES and by reference to this recorded Declaration and Map. Every such description shall be deemed good and sufficient for all purposes to convey, transfer, encumber or otherwise affect the Common Elements.

2.7 ENCROACHMENTS. If any portion of the Common Elements encroaches upon a Unit or Units, a valid easement for the encroachment and for the maintenance of same, so long as it stands, shall and does exist. If any portion or portions of a Unit or Units encroach upon the Common Elements, a valid easement for the encroachment and for the maintenance of same, so long as it stands, shall and does exist. A valid easement also exists to that portion of the General Common Elements and of the Limited Common Elements occupied by any part of an Owner's Unit not contained within the physical boundaries of such Unit, including, but not limited to, space occupied by heating and air conditioning equipment, utility lines and similar equipment.

8131 . 874

which serves only one (1) Unit. For title or other purposes, such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Elements or the individual Units.

3-24-2669

2.8 GOVERNMENTAL ASSESSMENT. Declarant shall give written notice to the Assessor's Office of the creation of Condominium Ownership of this Property, as is provided by law, so that each Unit and its percentage or fraction of undivided interest in the Common Elements shall be deemed a separate parcel and subject to separate assessment and taxation.

2.9 USE AND OCCUPANCY RESTRICTIONS.

a. Subject to the provisions of this Declaration and By-Laws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed. Each Unit or any two (2) or more adjoining Units used together shall be used for residential purposes or such other uses permitted by this Declaration, and for no other purposes. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from:

- (1) Maintaining his personal professional library;
- (2) Keeping his personal business or professional records or accounts; or

- (3) Handling his personal business or professional telephone calls or correspondence, which uses are expressly declared customarily incidental to the principal residential use and not in violation of said restrictions.

b. That part of the Common Elements separating and located between and exclusively serving two (2) or more adjacent Units used together (including, without limitation, portions of any hallway and any walls) may be altered with written consent of the Board, as provided in Paragraph 3.8 herein, to afford ingress to and egress from such Units and to afford privacy to the Occupants of such Units when using such Common Elements, and that part of the Common Elements so altered may be used by the Unit Owner or Owners of such Units as a licensee pursuant to a license agreement with the Association, provided:

- (1) The expense of making such alterations shall be paid in full by the Unit Owner or Owners making such alterations;

8131 . 875

(2) Such Unit Owner or Owners shall pay in full the expense of restoring such Common Elements to their condition prior to such alteration in the event such Units shall cease to be used together, as aforesaid; and

3-24-2670
012

(3) Such alteration shall not interfere with use and enjoyment of the Common Elements (other than the aforesaid part of the Common Elements separating such adjacent Units), including, without limitation, reasonable access and ingress to and egress from the other Units in the hallway affected by such alteration.

c. The Common Elements shall be used only by the Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for other purposes incidental to use of the Units; provided, however, receiving rooms, clubhouse, laundry room, cabana, swimming pool, and any other areas designed for specific use shall be used for the purposes approved by the Board.

d. The use, maintenance and operations of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and may be subject to lease, concession or easement, presently in existence or entered into by the Board at some future time.

e. Without limiting the generality of the foregoing provisions of this Paragraph 2.9, use of the Property by the Unit Owners shall be subject to the following restrictions:

(1) Nothing shall be stored in the Common Elements without prior consent of the Board, except in storage areas or as otherwise herein expressly provided;

(2) Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance for the Property without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in his Unit or the Common Elements which will result in the cancellation of insurance on any Unit, or any part of the Common Elements, or which will be in violation of any law;

8131 . 876

(3) No waste shall be committed in or on the Common Elements;

(4) Subject to Declarant's rights under Paragraph 2.9e(14)(d) of this Declaration, no sign of any kind shall be displayed to the public view on or from any Unit or Common Elements without the prior written consent of the Board or the written consent of the Managing Agent acting in accord with the Board's direction; 3-24-2671
01218

(5) No noxious or offensive activity shall be carried on, in or upon the Common Elements, nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any other Unit Owner. No loud noises or noxious odors shall be permitted on the Property, and the Board shall have the right to determine in accordance with the By-Laws if any such noise, odor or activity constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles or other items which may unreasonably interfere with television or radio reception of any Unit Owner in the Property, shall be located, used or placed on any portion of the Property or exposed to the view of other Unit Owners without the prior written approval of the Board;

(6) Except as expressly provided hereinabove, nothing shall be altered or constructed in or removed from the Common Elements, except upon the written consent of the Board;

(7) No structure of a temporary character, trailer, tent, shack, garage, barn or other outbuildings shall be permitted on the Property at any time temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be

erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof;

(8) No rubbish, trash or garbage or other waste material shall be kept or permitted upon any Unit or the Common Elements, except in sanitary containers located in appropriate areas screened and concealed from view, and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other Property in the vicinity thereof or to its Occupants. There shall be no exterior fires whatsoever except barbecue fires contained within receptacles designed in such a manner that no fire hazard is created. No clothing or household fabrics shall be hung, dried or aired in such a way in the Property as to be visible to other Property and no lumber, grass, shrub or tree clippings, plant waste, metals, bulk material, scrap, refuse or trash shall be kept, stored or allowed to accumulate on any portion of the Property, except within an enclosed structure or if appropriately screened from view;

(9) No Unit Owner shall park, store or keep any vehicle, except wholly within the parking space designated therefor, and any inoperable vehicle shall not be stored in a parking space or within the Common Elements in general. No Unit Owner shall park, store or keep within or adjoining the Property any large commercial-type vehicle (dump truck, cement-mixer truck, oil or gas truck, delivery truck and any other vehicle equipment, mobile or otherwise, deemed to be a nuisance by the Board), or any recreational vehicle (camper unit, motor home, truck, trailer, boat, mobile home or other similar vehicle deemed to be a nuisance by the Board). No Unit Owner shall conduct major repairs or major restorations of any motor vehicle, boat, trailer, aircraft or other vehicle upon any portion of the Common Elements. Parking spaces shall be used for parking purposes only;

3-24-2672

3 0 24

8131 . 878

(10) Except within individual Units, no planting, transplanting or gardening shall be done, and no fences, hedges or walls shall be erected or maintained upon the Property, except as approved by the Board;

3-24-2673

(11) Motorcycles, motorbikes, motor scooters or other similar vehicles shall not be operated within the Property except for the purpose of transportation directly from a parking space to a point outside the Property, or from a point outside the Property directly to a parking space;

(12) No animals, livestock, reptiles, or poultry of any kind shall be raised, bred or kept in any Unit or the Common Elements. Dogs, cats, fish, birds and other household pets may be kept in Units subject to rules and regulations adopted by the Association, provided they are not kept, bred or maintained for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall ordinarily mean more than two (2) pets per household; provided, however, the Association may determine a reasonable number in any instance to be more or less, and the Association may limit the size and weight of any household pets allowed. The Association, acting through the Board, shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Board, a nuisance to any other Unit Owner. Animals belonging to Unit Owners, Occupants or their licensees, tenants or invitees within the Property must be kept either within an enclosure, an enclosed patio or on a leash being held by a person capable of controlling the animal. The enclosure must be so maintained that the animal cannot escape therefrom and shall be subject to the approval of the Board. Should any animal belonging to a Unit Owner be found unattended out of the enclosure and not being held on a leash by a person capable of controlling the animal, such animal may be removed by Declarant (for so long as it has control over the Association) or a person designated by Declarant to do so, and subsequent thereto by the Association or its

8131 , 879

Managing Agent, to a pound under the jurisdiction of the local municipality in which the Property is situated and subject to the laws and rules governing said pound, or to a comparable animal shelter. Furthermore, any Unit Owner shall be absolutely liable to each and all remaining Unit Owners, their families, guests, tenants and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the Property by a Unit Owner or members of his family, his tenants or his guests; and it shall be the absolute duty and responsibility of each such Unit Owner to clean up after such animals which have used any portion of the Common Elements;

3-24-2674

0.2

(13) No Unit Owner shall be permitted to lease his Unit for hotel or transient purposes, which, for purposes of this paragraph is defined as a period less than thirty (30) days. No Unit Owner shall be permitted to lease less than the entire Unit. Every such lease shall be in writing. Every such lease shall provide that the lessee shall be bound by and subject to all of the obligations under the Declaration and By-Laws, of the Unit Owner making such lease and failure to do so shall be a default thereunder. The Unit Owner making such lease shall not be relieved thereby from any of said obligations; and

(14) In order that Declarant may establish the Property as a fully occupied Condominium, no Unit Owner nor the Association shall do anything to interfere with, and nothing in the Declaration shall be understood or construed to:

(a) Prevent Declarant, its successors or assigns, or its or their contractors or subcontractors, from doing in any Unit owned by them whatever they determine to be necessary or advisable in connection with the completion of any work thereon;

(b) Prevent Declarant, its successors or assigns, or its or their representatives, from

8131 . 880

erecting, constructing and maintaining on the Common Elements or any Unit owned or controlled by Declarant, its successors or assigns, or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing any work and establishing the Property as a Condominium and disposing of the same by sale, lease or otherwise;

3-24-2675
02

(c) Prevent Declarant, its successors or assigns, or its or their representatives, from maintaining a Sales Office and maintaining and showing model Units to aid in the marketing of the Units during the Construction Period; or

(d) Prevent Declarant, its successors or assigns, or its or their contractors or subcontractors, from maintaining such signs or signs for marketing of Units in the Property.

2.10 RESERVATION OF VARIANCE. Notwithstanding any provision of this Declaration to the contrary, the Declarant reserves unto itself the exclusive right to amend the Condominium Plat and to vary the size, shape, physical lay-out or location of the unsold Units and to correspondingly adjust the sales price and the percentage or fraction of ownership of the Common Elements or the respective Units remaining unsold. Such adjustment in the percentage or fraction of ownership of the Common Elements will only affect those Units owned by the Declarant, and will not change or affect the percentage or fraction of ownership of any other Unit. This reservation shall not work to readjust or reallocate any vested interests in the Common Elements appurtenant to any sold Units.

ARTICLE III

RIGHTS AND OBLIGATIONS OF OWNERSHIP

3.1 OWNERSHIP. A Condominium Unit will be a fee simple estate and may be held and owned by any person, firm, corporation or other entity singularly, as joint tenants, as tenants in common, or in any real property tenancy relationship recognized under the laws of the State of Texas.

3.2 PARTITION. The Common Elements (both General and Limited) shall be owned in common by all of the Owners of the Condominium Units and shall remain undivided, and no Owner shall bring any action for partition or division of the Common Elements other than that as specifically provided for hereinafter in Paragraph 6.2, "Judicial Partition". Nothing contained herein shall be construed as limitation of the right of partition of a Condominium Unit between the Owners thereof, but such Partition shall not affect any other Condominium Unit.

3-24-2676

3.3 EXCLUSIVENESS OF OWNERSHIP. Each Owner shall be entitled to exclusive ownership and possession of his Unit. Each Owner may use the Common Elements in accordance with the purposes for which they are intended, without hindering or encroaching upon the lawful rights of the other Owners.

3.4 ONE-FAMILY RESIDENTIAL DWELLING. Each Condominium Unit shall be occupied and used or leased by the Owner only as and for a residential dwelling for the Owner, his family, his social guests or his tenants.

3.5 MECHANIC'S AND MATERIALMAN'S LIENS. No labor performed or materials furnished and incorporated in a Unit, notwithstanding the consent or request of the Owner, his agent, cocontractor or subcontractor, shall be the basis for filing of a lien against the Common Elements owned by such other Owners. Each Owner shall indemnify and hold harmless ~~any~~ of the other Owners from and against all liability arising from the claim of ~~any~~ lien against the Unit of any other Owner or against the Common Elements for construction performed or for labor, materials, services or other products incorporated in the Owner's Unit at such Owner's request.

3.6 RIGHT OF ENTRY. The Association shall have the irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Elements therein or accessible therefrom, or at any time for making emergency repairs "therein" necessary to prevent damage to the Common Elements or to another Unit or Units.

3.7 OWNER MAINTENANCE. An Owner shall maintain and keep in repair the interior, patio and/or balcony space, and exterior space of his own Unit, including the fixtures thereof. All fixtures and equipment installed with the Unit, commencing at a point where the utility lines, pipes, wires, conduits or systems (which for brevity are hereafter referred to as "utilities") enter the Unit, shall be maintained and kept in repair by the Owner thereof; and an Owner shall be obliged to promptly repair and replace any broken or cracked

8131 . 852

glass in windows and doors. An Owner shall be totally responsible for his own heating and cooling system.

3.8 ALTERATION. An Owner shall do no act nor any work that will impair the structural soundness and integrity of the Building or impair any easement or hereditament. No Owner shall in any way alter, modify, add to or otherwise perform any work whatever upon any of the Common Elements, Limited or General, without the prior written consent and approval in writing by the Board of Directors. Any such alteration or modification shall be in harmony with the external design and location of the surrounding structures and topography, and shall not be considered until submission to the Association of complete plans and specifications showing the nature, kind, shape, size, materials, color and location for all proposed work. The Board shall have the obligation to answer within thirty (30) days after receipt of notice of the proposed alterations. Failure to so answer within the stipulated time shall mean that there is no objection to the proposed alteration or modification. During the Construction Period, Declarat shall have the sole right to approve or reject any plans and specifications submitted for consideration by an Owner.

3.9 RESTRICTION OF OWNERSHIP. As a restriction of the ownership provisions set forth in Paragraph 1.1t, "Unit", an Owner shall not be deemed to own the unfinished surfaces of the perimeter walls, floors ceilings and roofs surrounding his Unit, nor shall such Owner be deemed to own the utilities running through his Unit which are utilized for, or serve, more than one (1) Unit, except as a tenant in common with the other Owners. An Owner shall be deemed to own and shall maintain the inner, finished surfaces of the perimeter and interior walls, floors and ceilings, doors, windows and other such elements consisting of paint, wallpaper and other such finishing material.

3.10 LIABILITY FOR NEGLIGENT ACTS. In the event the need for maintenance or repair is caused through the willful or negligent act of an Owner, his family, guests or invitees; and is not covered or paid for by insurance either on such Unit or the Common Elements, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Unit is subject, pursuant to Article 17 hereof. Such liability is limited to the liability Owner has under Texas law.

3.11 SUBJECT TO DECLARATION AND BY-LAWS. Each Owner and the Association shall comply strictly with the provisions of this Declaration, the By-Laws and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with

any of the same shall be grounds for an action to recover sums due for damages or for injunctive relief, or both, maintainable by the Association on behalf of the Owners or, in proper case, by an aggrieved Owner against another Owner or against the Association.

ARTICLE IV

3-24-2678
302

4.1 BY-LAWS. The administration of this Condominium Property shall be governed by the By-Laws of SPICEMWOOD POINT TOWNHOMES OWNERS ASSOCIATION, INC., a non-profit corporation, referred to herein as the "Association". An Owner of a Condominium Unit, upon becoming an Owner, shall be a Member of the Association and shall remain a Member for the period of his ownership. The Association shall be managed by a Board of Directors, duly appointed or elected, pursuant to the terms and conditions of the By-Laws. In addition, the Association shall enter into a management agreement upon the terms and conditions established in the By-Laws, and said management agreement shall be consistent with this Declaration.

4.2 DECLARANT CONTROL. Paragraph 4.1 notwithstanding, and for the benefit and protection of the Unit Owners and any First Mortgagees of record for the sole purpose of insuring a complete and orderly buildout as well as a timely sellout of the Condominium Project, the Declarant will retain control of and over the Association for a maximum period not to exceed June 1, 1985, or upon the sale of seventy-five percent (75%) of the Units, or when in the sole opinion of the Declarant, the Project becomes viable, self-supporting and operational, whichever occurs first (1st). It is expressly understood, the Declarant will not use said control for any advantage over the Unit Owners by way of retention of any residual rights or interests in the Association or through the creation of any management agreement with a term longer than three (3) years without majority Association approval upon relinquishment of Declarant control. At the end of the Declarant Control Period, the Declarant, through the Board of Directors, shall call the first (1st) annual meeting of the Association.

4.3 TEMPORARY MANAGING AGENT. During the period of administration of this Condominium Regime by Declarant, the Declarant may employ or designate a temporary manager or managing agent, who shall have and possess all of the rights, powers, authority, functions and duties as may be specified in the contract of employment or as may be delegated by Declarant to him. The

Declarant may pay such temporary manager or managing agent such compensation as it may deem reasonable for the services to be rendered, which compensation shall constitute a part of the Common Expenses of this Condominium Regime and shall be paid out of the Association budget.

3-24-2679

4.4 SPECIFIC POWER TO RESTRICT USE AND ENJOYMENT. Every Owner and the Declarant shall have a beneficial interest of use and enjoyment in the Common Elements subject to the following limitations, restrictions and provisions:

- a. The right of the Association to publish rules and regulations governing use of the Common Areas and the improvements and facilities located thereon, and to establish and enforce penalties for infractions thereof;
- b. The right of the Association to charge reasonable fees for the use of facilities within the Common Area, if such facilities are not used by all Members equally;
- c. The right of the Association to borrow money and mortgage the Common Area and improvements for the purpose of improving the Common Area and facilities and in aid thereof to mortgage said property; providing, however, that the rights of any such Mortgagee in such property shall be subordinate to the rights of the Owners hereunder, and in no event shall any such Mortgagee have the right to terminate the Condominium Regime established by this Declaration;
- d. The right and duty of the Association to suspend the voting rights and the right to the use of the recreational facilities by an Owner for any period during which any assessment against the Owner's Condominium Unit remains unpaid;
- e. The right of Declarant or the Association after the Declarant Control Period to dedicate or transfer all or any part of the Common Area for utility easements to any public agency, authority or utility for the purposes, and subject to the conditions, of such agency, authority or utility. No such dedication or transfer shall be effective unless approved by all First Mortgagees and two-thirds (2/3) vote of the quorum of Owners present at a meeting of the Association specifically called for the purpose of approving any such dedication or transfer, and unless an instrument signed by the Board of Directors reflecting such vote of the Owners agreeing to such dedication or transfer and First

8131 . 885

Mortgagee approval has been duly recorded in the Condominium Records of Travis County, Texas;

f. The right of the Association to adopt, implement and maintain a private security system for the Premises consistent with applicable laws;

3-24-2680

g. The right of the Association to establish rules and regulations governing traffic within the Common Area, and to establish sanctions for any violation or violations of such rules and regulations;

h. The right of the Association to regulate noise within the Premises, including, without limitation, the right of the Association to require mufflers on engines and to prohibit the use of devices producing excessive noise; and

i. The right of the Association to control the visual attractiveness of the property, including, without limitation, the right to require Owners to eliminate objects which are visible from the Common Area and which, in the Association's judgment, detract from the visual attractiveness of the Property.

4.5 MEMBERSHIP, VOTING, QUORUM, PROXIES.

a. Membership. Any person on becoming an Owner of a Condominium Unit shall automatically become a Member of the Association. Such membership shall terminate without any formal Association action whenever such person ceases to own a Condominium Unit, but such termination shall not relieve or release any such former Owner from any liability or obligation incurred under or in any way connected with SPICEWOOD POINT TOWNHOMES during the period of such ownership and membership of the Association, or impair any rights or remedies which the Board of Directors of the Association or others may have against such former Owner and Member arising out of or in any way connected with such ownership and membership and the covenants and obligations incident thereto. No certificates of stock shall be issued by the Association, but the Board of Directors may, if it so elects, issue one (1) membership card to the Owner(s) of a Condominium Unit. Such membership card shall be surrendered to the Secretary whenever ownership of the Condominium Unit designated thereon shall terminate.

8131 . 886

b. Voting. Unit ownership shall entitle the Owner(s) to cast one (1) vote per Unit in the affairs of the Association, which vote will be weighted to equal the proportionate share of ownership of the Unit Owner in the Common Elements. Voting shall not be split among more than one (1) Unit Owner. The present number of votes that can be cast by the Unit Owners is fifty-three (53). The combined weighted votes calculated in accordance with Exhibit "C" shall equal one hundred percent (100%).

3-24-2681
02

c. Quorum. The majority of the Unit Owners as defined in Article I shall constitute a quorum.

d. Proxies. Votes may be cast in person or by proxy. Proxies may be filed with the Secretary before the appointed time of each meeting.

4.6 INSURANCE.

a. The Association shall obtain and maintain at all times insurance of the type and kind provided hereinafter, including such other risks, of a similar or dissimilar nature, as are or shall hereafter customarily be covered with respect to any Condominium Buildings, fixtures, equipment and personal property, similar in construction, design and use, issued by responsible insurance companies authorized to do business in the State of Texas. The insurance shall be carried in blanket policy form naming the Association and all Mortgagees as the insured. In addition, each policy or policies shall identify the interest of each Condominium Unit Owner and shall provide for a standard, noncontributory mortgage clause in favor of each First Mortgagee. Further, the policy shall insure against loss or damage by fire, vandalism, malicious mischief, or such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board may deem advisable. Each Owner irrevocably designates the Owners Association, as Attorney In Fact, to administer and distribute such proceeds as is elsewhere provided in this Declaration. Such insurance policy shall also provide that it cannot be cancelled by either the insured or the insurance company until after thirty (30) days prior written notice to each First Mortgagee. The Board of

8131 . 887

Directors shall, upon request of any First Mortgagee, furnish a certified copy of each blanket policy and a separate certificate identifying the interest of the Mortgagor.

3-24-2682

b. The Association shall keep a comprehensive policy or policies of public liability insurance covering the Common Elements of the Project and such policy or policies shall include a "Severability of Interest Endorsement" or equivalent coverage which will preclude the insurer from denying the claim of a Unit Owner because of negligent acts by the Association, its Board of Directors or a Unit Owner. Such policy or policies shall be in amounts of not less than One Hundred Thousand Dollars (\$100,000.00) per person, Three Hundred Thousand Dollars (\$300,000.00) per accident and Fifty Thousand Dollars (\$50,000.00) property damage, plus an umbrella policy for not less than One Million Dollars (\$1,000,000.00) for all claims for personal injury, including death, and/or property damage arising out of a single occurrence; and the policy shall include water damage liability, liability for non-owned and hired automobiles, liability for property of others and such other coverage as is customarily deemed necessary with respect to projects similar in nature.

c. The Association shall keep a policy or policies of (i) liability insurance insuring the Board of Directors, officers and employees of the Association against any claims, losses, liabilities, damages or causes of action arising out of, or in connection with, or resulting from any act done or omission to act by any such person or entities, (ii) workmen's compensation as required under the laws of the State of Texas, and (iii) such other insurance as deemed reasonable and necessary in order to protect the Project, the Unit Owners and the Association.

d. The Association shall be responsible for obtaining insurance upon the Units, including all fixtures, installations or additions thereto contained within the unfinished interior surfaces of the perimeter walls, floors and ceilings of such Unit, as initially installed or replacements thereof. The Association shall not be responsible for procurement or maintenance of any insurance covering the liability of any Unit Owner not caused by or connected with the Association's operation or maintenance of the Project.

8131 . 888

Each Unit Owner may obtain additional insurance at his own expense for his own benefit. Insurance coverage on the furnishings and other items of personal property belonging to a Unit Owner and casualty and public liability insurance coverage within each Unit are specifically made the responsibility of each Unit Owner, and each Unit Owner must furnish a copy of his insurance policy to the Association.

3-24-2683

e. Any insurance obtained by the Association or a Unit Owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against the Unit Owners, Association or their respective servants, agents or guests.

ARTICLE V

MAINTENANCE ASSESSMENTS

5.1 ASSESSMENTS FOR COMMON EXPENSES. All Owners shall be obligated to pay the estimated assessments imposed by the Association to meet the Common Expenses. Assessments for the estimated Common Expenses shall be due monthly in advance on or before the first (1st) day of each month. Failure to pay by the fifteenth (15th) day of each month shall require the imposition and assessment of a late charge of Fifteen Dollars (\$15.00). Contribution for monthly assessments shall be prorated if the ownership of a Condominium Unit commences on a day other than the first (1st) day of a month.

5.2 PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety, welfare and recreation of the residents in the Property, and in particular for the improvement, maintenance and preservation of the Property, the services and the facilities devoted to said purposes that are related to the use and enjoyment of both the Common Elements and the Units situated upon the Property. Such uses may include, but are not limited to, the cost to the Association of the following: all insurance, repair, replacement and maintenance of the Common Elements; fire, extended coverage, vandalism, malicious mischief and liability insurance for the Condominium Units; management costs, taxes, legal and accounting fees as may from time to time be authorized by the Association; construction of other facilities; maintenance of easements upon, constituting a part of, appurtenant to or for the benefit of the Property; mowing grass, caring for the grounds and landscaping; caring for the swimming pool and equipment, cabana, clubhouse, and laundry room;

8131 . 889

roofs and exterior surfaces of all Buildings; garbage pickup; pest control; street maintenance; outdoor lighting; security service for the Property; water and sewer service furnished to the Property by or through the Association; discharge of any liens on the Common Elements; and other charges required by this Condominium Declaration, or other charges that the Association is authorized to incur. In addition, the Association shall establish a reserve for repair, maintenance and other charges as specified herein.

3-24-2684

3-01-2

5.3 DETERMINATION OF ASSESSMENTS. The assessments shall be determined by the Board of Directors based upon the cash requirements necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Elements. This determination may include, among other items, taxes, governmental assessments, landscaping and grounds care, Common Area lighting, repairs and renovation, garbage collections, wages, water charges, legal and accounting fees, management costs and fees, expenses and liabilities incurred by the Association under or by reason of this Declaration, expenses incurred in the operation and maintenance of recreation and administrative facilities, payment of any deficit remaining from a previous period and the creation of a reserve contingency fund. The omission or failure of the Board to fix the assessment for any month shall not be deemed a waiver, modification or a release of the Owners from the obligation to pay.

5.4 INITIAL ASSESSMENT AND MAXIMUM MONTHLY ASSESSMENT.

a. The monthly assessments shall be made according to each Owner's proportionate or percentage interest in and to the Common Elements provided in Exhibit "C" attached hereto.

b. As of January 1st of the year immediately following the conveyance of the first (1st) Condominium Unit to an Owner other than the Declarant, the Board of Directors may set the monthly assessment for the next succeeding twelve (12)-month period at an amount which shall not exceed one hundred twenty percent (120%) of the monthly assessment allowed for January of the preceding year. If the Board determines at any time during the calendar year that a greater increase of the monthly assessment is required to adequately perform the duties and responsibilities of the Association and pay all expenses thereof, then the Board may call a special meeting of the Owners. By the assent of a two-thirds (2/3) vote of the quorum of Owners, present at such meeting, the monthly assessment may be

set at whatever level such Owners approve. The new assessment shall become the basis for future annual increases, using the one hundred twenty percent (120%) formula, as above outlined.

c. The Board of Directors shall have authority to lower the monthly assessment, if it deems feasible.

3-24-2685

5.5 SPECIAL ASSESSMENTS FOR IMPROVEMENTS. In addition to the annual assessments authorized above, at any time the Association may levy in any calendar year a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of improvements upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall be approved by a two-thirds (2/3) vote of the quorum of Owners voting in person or by proxy at a meeting duly called for this purpose. The Declarant will be treated as all other Unit Owners for purposes of special assessments. Failure to pay within fifteen (15) days after notice will result in a late charge of ten percent (10%).

5.6 COMMENCEMENT OF ASSESSMENTS. The monthly assessments provided for herein shall be due on the first (1st) day of the month. The assessments shall be prorated if the ownership of a Unit commences on a day other than the first (1st) day of the month. On Units owned by the Declarant, the assessment shall commence on the first (1st) day of the month after the Declarant Control Period is terminated, or the first (1st) day of the month following the transfer to the Association of the responsibility for maintenance of the Building in which the Unit is located in accordance with Paragraph 5.11 hereina. The Board shall fix the amount of the monthly assessments against such Unit at least thirty (30) days prior to January 1st of each year; provided, however, that the Board shall have a right to adjust the monthly assessments, as long as any such adjustment does not exceed the maximum permitted hereunder, with thirty (30) days' written notice given to each Owner. Written notice of the monthly assessment adjustment shall be sent to every Owner subject thereto. The due date shall be established by the Board, and unless otherwise provided or unless otherwise agreed by the Association, the Board shall collect the assessments monthly in accordance with Paragraph 5.1 hereof.

5.7 NO EXEMPTION. No Owner may exempt himself from liability for his contribution towards the Common Expenses by waiver of the use or enjoyment of any of the General or Limited Common Elements or by abandonment of his Unit.

8131 - 891

5.4 LIEN FOR ASSESSMENTS.

a. All sums assessed but unpaid by a Unit Owner for its share of Common Expenses chargeable to its respective Condominium Unit, including interest thereon at ten percent (10%) per annum, shall constitute a lien on such Unit superior (prior) to all other liens and encumbrances, except only for:

3-24-2686
3 0 2

(1) All taxes and special assessments levied by governmental and taxing authorities; and

(2) All liens securing sums due or to become due under any duly recorded mortgage vendor's lien or deed of trust.

b. To evidence such lien the Association may, but shall not be required to, prepare written notice setting forth the amount of such unpaid indebtedness, the name of the Owner of the Condominium Unit and a description of the Condominium Unit. Such notice shall be signed by one (1) of the Board of Directors and may be recorded in the Office of the Clerk and Recorder of Travis County, Texas. Such lien for the Common Expenses shall attach from the date of the failure of payment of the assessment. Such lien may be enforced by foreclosure of the defaulting Owner's Condominium Unit by the Association. Any such foreclosure sale is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Article 3810 of the Revised Civil Statutes of the State of Texas, or in any manner permitted by law. Each Owner, by accepting a deed to his Unit, expressly grants to the Association a power of sale, as set forth in said Article 3810, in connection with the assessment lien. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, the costs and expenses for filing the notice or claim of lien and all reasonable attorney's fees. The Owner shall also be required to pay to the Association a reasonable rental for the Condominium Unit during the period of foreclosure, and the Association shall be entitled to a receiver to collect same. The Association shall have the power to bid in the Condominium Unit at foreclosure sale and to acquire and hold, lease, mortgage and convey same.

c. The amount of the Common Expenses assessed against each Condominium Unit shall also be a debt of the Owner thereof at the time the assessment is made. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosing or waiving the liens securing same.

3-24-2687

d. In addition, to the extent permitted by law, Declarant reserves and assigns to the Association, without recourse, a vendor's lien against each Unit to secure payment of a common assessment or special assessment which is levied pursuant to the terms hereof. Said liens may be enforced by appropriate judicial proceedings and the expenses incurred in connection therewith, including, but not limited to, interest, costs and reasonable attorney's fees, shall be chargeable to the Owner in default. Such lien shall be subordinated and inferior to those liens listed in Subparagraphs 5.8a(1) and (2).

e. Any encumbrancer holding a lien on a Condominium Unit may pay any unpaid Common Expense payable with respect to such Unit, and upon such payment, such encumbrancer shall have a lien on such Unit for the amount paid of the same rank as the lien of his encumbrance.

5.9 SUBORDINATION OF THE LIEN TO MORTGAGES. The lien of the assessments provided for herein shall be subordinate to the liens of any recorded mortgage or mortgages granted or created by the Owner of any Condominium Unit to secure the payment of monies advanced and used for the purpose of purchasing and/or improving such Unit. Sale or transfer of any Unit shall not affect the assessment lien; provided, however, that the sale or transfer of any Condominium Unit pursuant to a foreclosure, a deed in lieu of foreclosure, assignment in lieu of foreclosure under such purchase money or improvement mortgages or deeds of trust shall extinguish the lien of such assessments as to payments thereof coming due prior to such sale or transfer, except for claims for its pro-rata share of such assessments resulting from a reallocation among all Units, which reallocation, if necessary, will require a readjustment of the common assessment as provided in Paragraph 5.4b. No sale or transfer shall relieve such Condominium Unit, or the Owners thereof, from liability for any assessments thereafter becoming due or from the lien thereof.

5.10 STATEMENT OF ASSESSMENTS. Upon the written request of any Owner or any encumbrancer or prospective encumbrancer of a Condominium Unit, the Association, by its Board of Directors, shall issue a written statement

8131 . 893

setting forth the unpaid assessments, if any, with respect to the subject Unit, the amount of the current monthly assessments, the date of such assessment and the due date, credit for advance payments or for prepaid items, including, but not limited to, insurance premiums, which shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such request for a statement of indebtedness shall be complied with within ten (10) days, all unpaid assessments which become due prior to the date of making of such request shall be subordinate to the lien of the person requesting such statement.

3-24-2688
302

The Purchaser, Donee or other transferee of a Unit, by deed or other writing (herein called "Grantee"), shall be jointly and severally liable with the transferor of such Unit (herein called "Grantor") for all unpaid assessments against the latter for his proportionate share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the Grantee's right to recover from Grantor the amounts paid by the Grantee, but such transferee shall be personally liable only if he expressly assumes such liability. The Grantee shall be entitled to a statement from the Board of Directors, setting forth the amount of the unpaid assessments, if any, with respect to the subject Unit, the amount of the current monthly assessment and the date such assessment becomes due, as well as any credit for advanced payments or for prepaid items, including, but not limited to, insurance premiums. This statement shall be conclusive upon the Association. Unless such request for a statement of indebtedness shall be complied with within ten (10) days of such request, such Grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessments against the subject Condominium Unit accruing prior to such ten (10)-day period.

5.11 OBLIGATION OF DECLARANT FOR ASSESSMENTS AND MAINTENANCE. During the Declarant Control Period, as provided in Paragraph 4.2 hereof, the Declarant shall be responsible for the difference between the cost of maintenance and assessments received from the Unit Owners of each Building until all Units in said Building have been completed, as defined herein, or until the estimated operating expenses are accurately determined, or until Declarant transfers responsibility for said maintenance to the Association, as provided in Paragraph 4.2 hereof, whichever first (1st) occurs. So long as Declarant is responsible for the maintenance of a Building, as provided herein, Declarant shall not be limited to the regular monthly assessment for any Units owned by Declarant in said Building. With respect to the Buildings which Declarant is

responsible for maintaining, as provided herein, said maintenance shall be at the level of maintenance established in accordance with Paragraph 5.3 hereof. During the Declarant Control Period, Declarant shall provide any additional funds necessary to pay actual cash outlays required to fund current operating expenses of the Association. After the Declarant Control Period is terminated, Declarant shall pay the regular monthly assessment for each Unit or Units it owns. In no event shall Declarant's liability for assessments be less than required by the Act.

3-24-2689

ARTICLE VI

DESTRUCTION OR OBSOLESCENCE OF IMPROVEMENTS

6.1 DESTRUCTION OR OBSOLESCENCE.

a. This Declaration hereby makes mandatory the irrevocable appointment of an Attorney In Fact to deal with the Property upon its destruction, obsolescence or condemnation. Title to any Condominium Unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by any Grantee of a deed from the Declarant or from any Owner shall constitute appointment of the Attorney In Fact herein provided. All of the Owners irrevocably constitute and appoint SPICEWOOD POINT TOWNHOMES OWNERS ASSOCIATION, INC., or its successor non-profit corporation, if same be hereafter organized, their true and lawful Attorney in their name, place and stead, for the purpose of dealing with the Property upon its destruction, obsolescence or condemnation, as hereinafter provided.

As Attorney In Fact, the Association, by its authorized officers shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of a Condominium Unit Owner which is necessary and appropriate to exercise the powers herein granted.

b. Repair and reconstruction of the improvement(s), as used in the succeeding subparagraphs, means restoring the improvement(s) to substantially the same condition in existence prior to the damage, with each Unit and Common Elements having the same vertical and horizontal boundaries as before. The proceeds of any insurance collected shall be made available to the Association for the purpose of repair, restoration or replacements, unless all of the Owners and

8131 . 895

all of the First Mortgagees agree not to rebuild in accordance with the provisions set forth hereinafter:

(1) In the event of damage or destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the improvement(s), shall be applied by the Association, as Attorney In Fact, to such reconstruction, and the improvement(s) shall be promptly repaired and reconstructed.

(2) If the insurance proceeds are insufficient to repair and reconstruct the improvement(s), and if such damage is not more than sixty-six and two-thirds percent (66-2/3%) of all the Common Elements, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as Attorney In Fact, using the proceeds of insurance and the proceeds of an assessment to be made against all of the Owners and their Condominium Units. Such deficiency assessment shall be a special assessment made pro rata according to each Owner's proportionate interest in and to the Common Elements and shall be due and payable within thirty (30) days after written notice thereof. The Association shall have the authority to cause the repair or restoration of the improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an Owner to pay the assessment. The assessment provided for herein shall be a debt of each Owner and a lien on his Condominium Unit and may be enforced and collected as is provided in Article V hereof. The lien provided for herein shall be subordinate to any recorded first mortgage lien, as provided in paragraph 5.9 of this Declaration. Should the Association choose to foreclose said lien, as provided in Article V, the proceeds derived from the sale of such Condominium Unit shall be used and disbursed by the Association, as Attorney In Fact, in the following order:

- (a) For payment of taxes and special assessment liens in favor of any governmental assessing entity;

3-24-2690

(c) For payment of unpaid Common Expenses;

(d) For payment of junior liens and encumbrances in the order and extent of their priority; and

(e) The balance remaining, if any, shall be paid to the Condominium Unit Owner.

3-24-2691

(3) If more than sixty-six and two-thirds percent (66-2/3%) of all of the Common Elements, not including land, are destroyed or damaged, and if the Owners representing the aggregate ownership of one hundred percent (100%) of the Common Elements, do not voluntarily, within one hundred (100) days thereafter, make provision for reconstruction, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's President and Secretary, the entire remaining Premises shall be sold by the Association, as Attorney In Fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Plat and the By-Laws. The insurance settlement proceeds shall be collected by the Association, and such proceeds shall be divided by the Association according to each Unit Owner's interest (as such interests appear on the policy or policies), and such divided proceeds shall be paid into fifty-three (53) separate accounts, each such account representing one (1) of the Condominium Units in the total Project. Each such account shall be in the name of the Association, and shall be further identified by the number of the Unit and the name of the Owner. From each separate account, the Association, as Attorney In Fact, shall use and disburse the total amount (of each) of such accounts, without contribution from any one (1) account to another, toward the full payment of the lien of any first mortgage against the Condominium Unit represented by such separate account. There shall be added to each such account, the

8131 . 897

apportioned amount of the proceeds derived from the sale of the entire Property. Such apportionment shall be based upon each Condominium Unit Owner's proportionate interest in the Common Elements. The total funds of each account shall be used and disbursed, without contribution from one (1) account to another, by the Association, as Attorney In Fact, for the same purposes and in the same order as is provided in Subparagraphs b(2)(a) through (e) of Paragraph 6.1 hereof. Any decision to terminate the condominium status as herein provided must have the approval of First Mortgagors holding mortgages on Units which have at least fifty-one percent (51%) of the votes of the Association.

3-24-2692

(4) If the Owners representing a total ownership interest of one hundred percent (100%) of the Common Elements adopt a plan for reconstruction, then all of the Owners shall be bound by the terms and provisions of such plan. Any assessment made in connection with such plan shall be a Common Expense and made pro rata according to each Owner's proportionate interest in the Common Elements and shall be due and payable as provided by the terms of the plan. The Association shall have the authority to cause the repair and restoration of the improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an Owner to pay the assessment. The assessment provided for herein shall be a debt of each Owner and a lien on his Condominium Unit and may be enforced and collected as is provided in Paragraph 5.8 hereof, but will be subordinate to any prior recorded first mortgage lien, as provided in Paragraph 5.9 hereof. Should the Association foreclose said assessment lien, as provided in said Paragraph 5.8, the proceeds derived from sale of such Condominium Unit shall be used and disbursed by the Association, as Attorney In Fact, for the same purposes and in the same order as is provided in Subparagraphs b(2)(a) through (e) of Paragraph 6.1 hereof.

(5) The Owners representing an aggregate ownership interest of sixty-six and two-thirds percent (66-2/3%) of

8131 : 898

the Common Elements or more, may agree that the Common Elements of the Property are obsolete and that the same should be renewed or reconstructed. In such instance, the expenses thereof shall be payable by all of the Owners as Common Expenses.

(6) Any restoration, reconstruction or repair of the Project shall be performed substantially in accordance with this Declaration and the original Plans and specifications, unless other action is approved by the holders of mortgages on Units which have at least fifty-one percent (51%) of the votes of the Association.

(7) The Owners representing an aggregate ownership interest of one hundred percent (100%) of the Common Elements and all holders of first mortgages may agree that the Common Elements of the Property are obsolete and that the same should be sold. In such instance, the Association shall record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's authorized officers, the entire Premises shall be sold by the Association, as Attorney In Fact, for all of the Owners, free and clear of the provisions contained in this Declaration, the Plat and the By-Laws. The sales proceeds shall be apportioned between the Owners and First Mortgagees as their interests may appear on the basis of each Owner's percentage or fraction of interest in the Common Elements, and such apportioned proceeds shall be paid into fifty-three (53) separate accounts, each such account representing one (1) Condominium Unit. Each such account shall be in the name of the Association, and shall be further identified by the number of the Unit and the name of the Owner. From each separate account, the Association, as Attorney In Fact, shall use and disburse the total amount of each of such funds, without contribution from (1) fund to another, for the same purposes and in the same order as is provided in Subparagraphs b(2)(a) through (e) of Paragraph 6.1 hereof.

3-24-2693

8131 . 899

6.2 JUDICIAL PARTITION. There shall be no judicial partition of the Common Elements, nor shall Declarant or any person acquiring any interest in the Project or any part thereof seek any such judicial partition, until the happening of the conditions set forth in Paragraph 6.1 hereof in the case of damage or destruction or unless the Property has been removed from the provisions of the Texas Condominium Act; provided, however, that if any Condominium Unit shall be owned by two (2) or more co-tenants, as tenants in common or as joint tenants, nothing herein contained shall be deemed to prevent a judicial partition between such co-tenants, but such partition shall not affect any other Condominium Unit.

3-24-2694

6.3 CONDEMNATION.

a. If all or any part of the Property is taken or threatened to be taken by eminent domain or by power in the nature of eminent domain (whether permanent or temporary), the Association, as Attorney In Fact, and each Owner shall be entitled to participate in proceedings incident thereto at their respective expense. The Association shall give timely written notice of the existence of such proceedings to all Owners and to all First Mortgagees known to the Association to have an interest in any Condominium Unit. The expense of participation in such proceedings by the Association shall be borne by the Common Fund. The Association, as Attorney In Fact, is specifically authorized to obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Association in its discretion deems necessary or advisable to aid or advise it in matters relating to such proceedings. All damages or awards for any such taking shall be deposited with the Association, as Attorney In Fact, and such damages or awards shall be applied as provided herein. In the event that an action in eminent domain is brought to condemn a portion of the Common Elements (together with or apart from any Condominium Unit), the Association, as Attorney In Fact, in addition to the general powers set out herein, shall have the sole authority to determine whether to defend or resist any such proceeding, to make any settlement with respect thereto, or to convey such Property to the condemning authority in lieu of such condemnation proceeding.

b. With respect to any such taking, all damages and awards shall be determined for the taking of the individual Units and for

8131 . 900

the taking of the Common Elements and for each Owner's interest therein. After the damages or awards for such taking are determined, such damages or awards shall be paid to the account of each Owner for the loss of the individual Unit plus an amount in proportion to his percentage or fractional ownership interest in the Common Elements to be applied or paid as set forth in Subparagraphs 6.1b(2)(a) through (e) hereof, unless restoration takes place as herein provided. The Association, if it deems advisable, may call a meeting of the Owners, at which meeting the Owners, by a majority vote, shall decide whether to replace or restore, as far as possible, the Common Elements so taken or damaged. In the event it is determined that such Common Elements should be replaced or restored by obtaining other land or building additional structures, this Declaration and the Map attached hereto shall be duly amended by instrument executed by the Association, as Attorney In Fact, on behalf of the Owners. In the event that such eminent domain proceeding results in the taking of or damage to one (1) or more, but less than sixty-six and two-thirds percent (66-2/3%) of the total number of Condominium Units, then the damages and awards for such taking shall be determined for each Condominium Unit and the following shall apply:

(1) The Association shall determine which of the Condominium Units damaged by such taking may be made tenable for the purposes set forth in this Declaration, taking into account the nature of this Condominium Project and the reduced size of each Condominium Unit so damaged.

(2) The Association shall determine whether it is reasonably practicable to operate the remaining Condominium Units of the Project, including those damaged Units which may be made tenable, as a Condominium in the manner provided in this Declaration.

(3) In the event that the Association determines that it is not reasonably practicable to operate the undamaged Condominium Units and the damaged Units which can be made tenable, then the Condominium Project shall be deemed to be regrouped and merged into a single estate owned jointly in undivided interest by all Owners, as

3-24-2695

tenants in common, in the proportionate ownership interest previously owned by each Owner in the Common Elements. Any decision to terminate the condominium status of the Project must have the approval of First Mortgagees holding the mortgages on Units which have at least fifty-one percent (51%) of the votes in the Association.

3-24-2696

(4) In the event that the Association determines it will be reasonably practicable to operate the undamaged Condominium Units and the damaged Units which can be made tenantable as a Condominium Unit, then the damages and awards made with respect to each Unit which has been determined to be capable of being made tenantable shall be applied to repair and to reconstruct such Condominium Unit so that it is made tenantable. The restoration shall be performed in accordance with this Declaration and the original Plans and specifications, unless other action is approved by holders of mortgages on the remaining Units which have at least fifty-one percent (51%) of the votes in the Association. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed against those Condominium Units which are tenantable. With respect to those Units which may not be tenantable, the award made shall be paid as set forth in Subparagraphs 6.1b(2)(a) through (e) hereof; and the remaining portion of such Units, if any, shall become part of the Common Elements. Upon the payment of such award for the account of such Owner as provided herein, such Condominium Unit shall no longer be a part of the Condominium Project, and the proportionate ownership interest in the Common Elements appurtenant to each remaining Condominium Unit which shall continue as part of the Condominium Project shall be equitably adjusted to distribute the ownership of the undivided interest in the Common Elements among the reduced number of Owners based upon the square footage of the individual remaining Units in proportion to the total square footage of all the remaining Units. If sixty-six and two-thirds percent

8131 902

(66-2/3%) or more of the Condominium Units are taken or damaged by such taking, all damages and awards shall be paid to the accounts of the Owners of Units, as provided herein; and this Condominium Regime shall terminate upon such payment. Upon such termination, the Condominium Units and Common Elements shall be deemed to be regrouped and merged into a single estate owned in undivided interest by all Owners as tenants in common in the proportionate ownership interest previously owned by each Owner in the Common Elements. The Owners representing an aggregate ownership interest of sixty-seven percent (67%) of the Common Elements and holders of first mortgages on Units which have at least fifty-one percent (51%) of the votes on Units subject to first mortgages may agree that the Property should be sold. In such instance, the Association shall record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's authorized officers, the entire Premises shall be sold by the Association, as Attorney in Fact, for all of the Owners, free and clear of the provisions contained in the Declaration, the Plat and the By-Laws. The sales proceeds shall be apportioned between the Owners and First Mortgagees as their interests may appear on the basis of each Owner's proportionate ownership interest in the regrouped estate. Any damages, awards, or sales proceeds provided in this paragraph to be paid to or for the account of any Owner by the Association shall be applied as set forth in Subparagraphs 6.1b(2)(a) through (e) hereof.

3-24-2697

ARTICLE VII

PROTECTION OF MORTGAGEE

7.1 NOTICE TO ASSOCIATION. An Owner who mortgages his Unit shall notify the Association, giving the name and address of his Mortgagee. Each Mortgagee shall be permitted to notify the Association of the fact that such Mortgagee holds a deed of trust or mortgage on a Condominium Unit. The Board shall maintain such information in a book entitled "Mortgagees of Condominium Units".

7.2 NOTICE OF DEFAULT; LAPSE IN INSURANCE. The Association shall notify a First Mortgagee in writing, upon written request of such Mortgagee identifying the name and address of the Mortgagee and the Unit number, of any default by the Mortgagor in the performance of such Mortgagor's obligations, as set forth in this Declaration, which is not cured within sixty (60) days. The Association, upon written request, shall notify a First Mortgagee of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

3-24-2698

7.3 EXAMINATION OF BOOKS. The Association shall permit First Mortgagees to examine the books and records of the Association upon request.

7.4 RESERVE FUND. The Association shall establish adequate reserve funds for replacement of Common Element components and fund the same by regular monthly payments rather than by extraordinary special assessments. In addition, there shall be established a working capital fund for the initial operation of the Condominium Project equal to at least two (2) months' estimated Common Assessments charge for each Unit, said deposit to be collected at closing of Unit sale.

7.5 ANNUAL AUDITS. Upon written request the Association shall furnish each First Mortgagee an annual audited financial statement of the Association within ninety (90) days following the end of each fiscal year of the Association.

7.6 NOTICE OF MEETINGS. The Association shall furnish each First Mortgagee upon request of such Mortgagee, prior written notice of all meetings of the Association and permit the designation of a representative of such Mortgagee to attend such meetings, one (1) such request to be deemed to be a request for prior written notice of all subsequent meetings of the Association.

7.7 NOTICE OF DAMAGE OR DESTRUCTION. The Association shall furnish the First Mortgagees timely written notice of any substantial damage or partial destruction of any Unit on which the First Mortgagee holds the mortgage if such loss exceeds One Thousand Dollars (\$1,000.00) and of any part of the Common Elements if such loss exceeds Ten Thousand Dollars (\$10,000.00).

7.8 MANAGEMENT AGREEMENTS. Any management agreement and/or service contract entered into by the Association will be terminable by the Association without cause and without payment of a termination fee upon ninety (90) days' or less written notice, and the term of such management agreement will not exceed the period of three (3) years, renewable by agreement of the parties to such agreement for successive one (1)-year periods. In the event of the

8131 904

termination of the management agreement, as provided herein, the Association shall enter into a new management agreement with a new management agent prior to the effective date of the termination of old management agreement. Any decision to establish self-management by the Owners Association shall require the prior consent of Owners of Units to which at least sixty-seven percent (67%) of the votes are allocated and the approval of first mortgage holders holding mortgages on Units which have at least fifty-one percent (51%) of the votes of the Association.

3-24-2699

7.9 TAXES, ASSESSMENTS AND CHARGES. All taxes, assessments and charges which may become liens prior to the First Mortgage under local law shall relate only to the individual Condominium Units and not to the Condominium Project as a whole.

ARTICLE VIII
